24 June | 14:00 - 17:00 | for researchers

Agenda for today (17 June 2025)

| | |
|---------------|---|
| 14:00-14:15 | Introduction, welcome and project overview by moderator Jochen Spangenberg (DW) and project coordinator Symeon Papadopoulos (CERTH-ITI) |
| 14:15 - 15:15 | Presentation / demonstration of vera.ai user facing tools, followed by Q&A from the audience: <ul style="list-style-type: none">• The Verification Plugin - Denis Teyssou (AFP)• Truly Media - Danae Tsaouraki (ATC)• The Database of Known Fakes - Andrey Tagarev / Nedelina Mitankina (ONTO) |
| 15:15 - 15:30 | Evolving challenges of AI-mediated disinformation Discussion of presenters of session 1 with moderator, including audience questions and comments. |
| 15:30 - 15:45 | Break |
| 15:45 - 17:00 | Introduction and welcome by moderator Inès Gentil (EUDL) of the day's Part II, followed by presentations and Q&A sessions on the following topics: <ul style="list-style-type: none">• Coordinated Inauthentic Behavior - Ana Romero (EUDL)• Detection of coordinated behavior - Nicola Righetti (UNI Urbino)• Specific use cases and respective issues - Kamila Koronska (University of Amsterdam) |
| 16:55 - 17:00 | Closing and wrap-up |

Some formal / organisational matters

- The session will be recorded
- Chat open for questions (netiquette please)
>> use it for your questions
- Just in case: inappropriate behaviour will result in expulsion

And finally

*We hope you have an enlightening afternoon
and gain some useful new insights 😊*

The vera.ai project team
